Dear Mrs Vollans,

I would like to congratulate you, your staff and your pupils on your school's outstanding achievement in the 2017 phonics screening check.

Early fluency in decoding is a necessary first step in acquiring the key skill of reading. There is a substantial body of evidence demonstrating that systematic phonics is the most effective method for teaching children to read. We want to ensure that every child develops a firm grasp of phonics, which is why I was delighted to see your results. With 100 per cent of pupils at St Michael's C of E Primary School reaching or exceeding the pass mark in the check, your school is in the top 3 per cent of all primary schools in the country.

Your success in teaching phonics means your pupils are developing a firm foundation in reading, from which they can become increasingly fluent and develop a lifelong love of reading.

Thank you for your work in this vital area of a child's early education and congratulations again to you and your staff for all you have achieved.

With best wishes.

Yours sincerely,
