Covid-19—Keeping Our Community Safe

We would like to stress the importance of your child remaining at home if anyone in your household/bubble presents any symptoms. Children can return to school when a negative result has been obtained. It is important that you let the school know immediately of the reason why your child is not present. If a positive result is obtained, your child must self-isolate, along with the rest of your bubble, for 14 days.

The school is doing everything we can to keep our community safe but we rely on your support to work with us.

School Reading Books

Please could you check to see if you have any school reading books at home (from lockdown) and return to school as soon as possible.

Advent Reading Challenge

Your children will bring home an 'Advent Reading Challenge' on Monday, this will also be sent via ParentPay to you. Please encourage your child to complete as many of the activities as they can before the end of term and send us pictures of them doing so for us to share. Children who complete the challenge will be entered into a draw for a wonderful prize! Happy reading everyone!

Birthdays

Due to current restrictions we are not allowed to let the children bring in cakes/biscuits etc. to celebrate their birthdays. As an alternative, on the last Friday of the month 'Jeff the Chef' will make cakes for all children in the school and each class can celebrate that month's birthdays.

Christmas Cards

Due to current restrictions we are not allowed to let the children bring in Christmas cards to distribute to their friends/teachers.
