

Covid-19—Keeping Our Community Safe

We would like to stress the importance of your child remaining at home if anyone in your household/bubble presents any symptoms. Children can return to school when a negative result has been obtained. It is important that you let the school know immediately of the reason why your child is not present. If a positive result is obtained, your child must self-isolate, along with the rest of your bubble, for 14 days.

The school is doing everything we can to keep our community safe but we rely on your support to work with us.

Advent Reading Challenge

Please encourage your child to complete as many of the activities as they can before the end of term and send us pictures of them doing so for us to share. Children who complete the challenge will be entered into a draw for a wonderful prize! Happy reading everyone!

Birthdays

Due to current restrictions we are not allowed to let the children bring in cakes/biscuits etc. to celebrate their birthdays. As an alternative, on the last Friday of the month 'Jeff the Chef' will make cakes for all children in the school and each class can celebrate that month's birthdays.

Advent Calendars

We would like to thank Cornforth Partnership for their kind donation of advent calendars which were distributed on Monday to all children in school.

Personal, Social, Health and Economic (PSHE)
