Dear parents/carers,

Before Covid, we were in the process of looking at wrap around care. On an evening, we had a drop in numbers due to the need from parents. It is important for the school to know numbers for the wrap around care as we need to employ staff to run this provision.

Therefore, we are writing to parents to find out what their wrap around care needs are. At present, we will continue the limited wrap around care due to restrictions but we would like to seek your requirements so that we can plan to attempt to meet them. Completing this form will help us achieve this aim.

If parents can complete the form below by Friday 30th April.

If you have any questions, please get in touch

Yours sincerely
