# Year 4 Multiplication Test

#### **Multiplication Test**

• Introduced in 2022 to check knowledge of multiplication facts. It is compulsory for schools.

Will take place in June 2024.

#### <u>Purpose</u>

► The purpose of the check is to determine whether your child can fluently recall their times tables up to 12, which is essential for future success in mathematics. It will also help your child's school to identify if your child may need additional support.

#### What is the multiplication test?

- On Screen test
- Consists of 25 random questions
- 6 seconds for each question.
- Test will last 5 minutes

#### Results

- Will be used by the school to help target additional support.
- Results will be reported back to parents as with all national curriculum tests.
